Subject Index

A

abdominal injuries from seat-belt use (*tip*), February, p. 622
 abdominal pregnancy (*sci*), January, p. 209
 abdominal surgery, prophylactic antibiotics for (*tip*), March, p. 989
 abdominal trauma, blunt, in late pregnancy (*tip*), June, p. 1849
 abortion, spontaneous (*tip*), May, p. 1610
 ACE inhibitors, changes in cough reflex due to (*tip*), April, p. 1282
 acetaminophen
 —in childhood varicella, use of (*tip*), March, p. 945
 —in children, immediate adverse reactions to (*tip*), January, p. 311
 acetaminophen overdose, charcoal vs. ipecac in (*tip*), June, p. 1823
 Achilles tendon rupture (*tip*), February, p. 669
 addiction, cocaine abuse and (*tip*), February, p. 636
 adiposity, fat distribution and cardiovascular risk (*tip*), March, p. 962
 adolescent boys, comfort of, during physical examinations (*tip*), June, p. 1829
 adolescent girls, planned repeat pregnancy in (*tip*), May, p. 1555
 adolescent use of smokeless tobacco (*tip*), June, p. 1834
 adolescents
 —and condom use (*tip*), May, p. 1568
 —male, anabolic steroid use by (*tip*), January, p. 267

—pregnant, patterns of weight gain in (*tip*), April, p. 1295
 AIDS (*see also* HIV)
 —cerebral toxoplasmosis in patients with (*sci*), March, p. 867
 —HIV-positive patients and development of (*tip*), April, p. 1297
 —protection against (*let*), May, p. 1389
 —tuberculosis and (*tip*), March, p. 973
 air pollution, respiratory disease due to (*tip*), February, p. 635
 albumin, serum, and mortality (*tip*), June, p. 1805
 alcohol abuse, laboratory marker for (*tip*), May, p. 1598
 alcohol exposure, prenatal, and its effect on infants (*tip*), February, p. 605
 alcohol use and stroke risk (*tip*), February, p. 643
 alcohol withdrawal, gamma-hydroxybutyric acid for (*tip*), May, p. 1556
 alcoholic adults, incidence of diphtheria in (*tip*), April, p. 1278
 alcoholism (*let*), January, p. 74
 alopecia areata (*sci*), April, p. 1197
 Alzheimer's disease
 —helping families cope with (*tip*), April, p. 1255
 —rate of progression of (*tip*), March, p. 957
 amnesia, psychogenic (*sci*), January, p. 229
 anabolic/androgenic steroids in athletics (*ed*), April, p. 1141
 anabolic steroid use by male adolescents (*tip*), January, p. 267
 anabolic steroids and ergogenic aids (*sci*), April, p. 1157
 analgesic consumption and renal disease (*tip*), January, p. 291
 aneurysms, saccular, of the thoracic aorta (*sci*), May, p. 1475
 angioplasty
 —balloon, patient selection criteria for (*tip*), January, p. 281
 —coronary, fish oil supplementation after (*tip*), April, p. 1238
 —coronary, management of patients after (*sci*), January, p. 121

anorexia and bulimia (*sci*), April, p. 1169
 anterior cruciate tears, nonoperative treatment of (*tip*), February, p. 649
 antibiotics
 —parenteral, outpatient administration of (*tip*), May, p. 1602
 —and preterm labor (*tip*), June, p. 1839
 —prophylactic, for abdominal surgery (*tip*), March, p. 989
 antihypertensive therapy and cardiac dysrhythmias (*tip*), March, p. 985
 aorta, thoracic, saccular aneurysms of (*sci*), May, p. 1475
 asbestos-related disease (*tip*), March, p. 966
 aspiration, accidental, in children (*let*), April, p. 1090
 aspirin and toxemia prevention (*tip*), May, p. 1600
 asthma, psychologic defenses in patients with (*tip*), March, p. 984
 athletics, anabolic/androgenic steroids in (*ed*), April, p. 1141

B

bacterial infections in elderly patients (*tip*), April, p. 1289
 bacteriuria in elderly patients, screening for (*tip*), January, p. 292
 bag, paper, rebreathing, hypoxic hazards of (*tip*), March, p. 974
 Bartholin's abscess, microbiologic factors in (*tip*), April, p. 1240
 battered women, protecting (*tip*), March, p. 982
 bicycle helmet use among children (*tip*), March, p. 955
 bicycle riders, benefits of helmet use by (*tip*), January, p. 292
 biliary obstruction therapy (*tip*), March, p. 989
 bipolar affective disorder and high achievement (*tip*), March, p. 931
 'birth cushion' (*tip*), April, p. 1280
 birth weight, SIDS and (*tip*), January, p. 273
 bite wounds, management of (*tip*), February, p. 640
 bleeding in patients treated with warfarin (*tip*), May, p. 1572

B

bacterial infections in elderly patients (*tip*), April, p. 1289
 bacteriuria in elderly patients, screening for (*tip*), January, p. 292
 bag, paper, rebreathing, hypoxic hazards of (*tip*), March, p. 974
 Bartholin's abscess, microbiologic factors in (*tip*), April, p. 1240
 battered women, protecting (*tip*), March, p. 982
 bicycle helmet use among children (*tip*), March, p. 955
 bicycle riders, benefits of helmet use by (*tip*), January, p. 292
 biliary obstruction therapy (*tip*), March, p. 989
 bipolar affective disorder and high achievement (*tip*), March, p. 931
 'birth cushion' (*tip*), April, p. 1280
 birth weight, SIDS and (*tip*), January, p. 273
 bite wounds, management of (*tip*), February, p. 640
 bleeding in patients treated with warfarin (*tip*), May, p. 1572

blood cultures in young febrile outpatients, use of (*tip*), May, p. 1606

blood pressure control, primary care and—it's working! (*ed*), May, p. 1432

botulism in infants (*tip*), April, p. 1253

boxing, ocular injuries in (*tip*), February, p. 654

breast biopsy, use of electrocautery during (*tip*), April, p. 1302

breast cancer, oral contraceptive use and (*tip*), February, p. 662

breast cancer screening in elderly women (*tip*), May, p. 1562

breast cancer therapy in elderly women (*tip*), February, p. 615

breast disorders in nursing mothers (*sci*), May, p. 1509

breast feeding to prevent respiratory illness in infants (*tip*), June, p. 1819

bronchogenic carcinoma, minimal lung resection for (*tip*), February, p. 620

bulimia, anorexia and (*sci*), April, p. 1169

bupropion: new therapy for depression (*sci*), June, p. 1787

C

- C. pylori* colonization in the gastrointestinal tract (*tip*), June, p. 1823
- calcium channel blockers for treatment of hypertension (*tip*), May, p. 1611
- calcium supplementation for premenstrual syndrome (*tip*), February, p. 619
- calculi, urinary, suspected, ultrasonography for evaluation of (*tip*), February, p. 668
- camps for siblings of children with cancer (*tip*), March, p. 949
- Campylobacter pylori* in reflux esophagitis (*tip*), March, p. 965
- cancer (see also carcinoma)
- breast, oral contraceptive use and (*tip*), February, p. 662
 - cervical, screening for (*sci*), March, p. 853
 - children with, camps for siblings of (*tip*), March, p. 949
 - lung, hemoptysis and (*tip*), February, p. 628
 - lung, screening for (*sci*), June, p. 1763
 - lung, treatment of intracranial metastases from (*tip*), February, p. 674
 - pancreatic, risk factors in (*tip*), May, p. 1556
- cancer mortality, screening proctosigmoidoscopy to reduce (*tip*), February, p. 612
- cancer screening, breast, in elderly women (*tip*), May, p. 1562
- cancer therapy, breast, in elderly women (*tip*), February, p. 615
- carcinoma, bronchogenic, minimal lung resection for (*tip*), February, p. 620
- cardiopulmonary resuscitation in the elderly, outcomes of (*tip*), May, p. 1588
- cardiovascular implications of upper-body obesity (*tip*), April, p. 1301
- cardiovascular risk, adiposity, fat distribution and (*tip*), March, p. 962
- catheterization, intermittent, to prevent urinary infections (*tip*), February, p. 650
- catheters, subclavian venous, in infants and children (*tip*), June, p. 1844
- CD4 counts as predictors of opportunistic infections (*tip*), May, p. 1570
- cereal at bedtime and infant sleep (*tip*), May, p. 1602
- cerebral involvement in decompression sickness (*tip*), April, p. 1285
- cervical cancer, screening for (*sci*), March, p. 853
- cesarean delivery in nulliparous women, demographics of (*tip*), April, p. 1245
- cesarean section, vaginal birth of twins after (*tip*), May, p. 1574
- charcoal vs. ipecac in acetaminophen overdose (*tip*), June, p. 1823
- chest pain
- acute, thrombolysis in patients with (*tip*), March, p. 971
 - in children (*sci*), January, p. 179
 - selection of triage rules for patients with (*tip*), June, p. 1842
- chest pain evaluation, use of a special unit for (*tip*), June, p. 1806
- child abuse and neglect (*ed*), April, p. 1138
- childhood obesity, natural history of (*tip*), May, p. 1590
- children
- accidental aspiration in (*let*), April, p. 1090
 - acetaminophen in, immediate adverse reactions to (*tip*), January, p. 311
 - antibiotics for bacterial meningitis in (*tip*), April, p. 1246
- bicycle helmet use among (*tip*), March, p. 955
- with cancer, camps for siblings of (*tip*), March, p. 949
- chest pain in (*sci*), January, p. 179
- chronic sinusitis in (*tip*), April, p. 1234
- coin ingestion in (*tip*), February, p. 612
- eye injuries in (*tip*), June, p. 1850
- infants and, subclavian venous catheters in (*tip*), June, p. 1844
- intramuscular medication for sedation of (*tip*), February, p. 659
- lipoprotein abnormalities in, screening for (*tip*), May, p. 1605
- young, accidental drug ingestion in (*tip*), March, p. 932
- chlamydia in pregnant patients with gonorrhea (*tip*), June, p. 1814
- cholecystectomy, incidental, for silent gallstones (*tip*), January, p. 298
- cholesterol
- high blood, screening for (*sci*), February, p. 503
 - serum, effect of fatty acids on (*tip*), May, p. 1600
- cholesterol screening, impact of guidelines for (*tip*), April, p. 1296
- cigarettes, 'low-yield,' and myocardial infarction (*tip*), April, p. 1304
- circadian distribution in fatal pulmonary embolism (*tip*), June, p. 1839
- circumcision
- the debate continues (*ed*), March, p. 817
 - routine neonatal: boundary of ritual and science (*ed*), March, p. 820
 - routine neonatal: a reappraisal (*sci*), March, p. 859
- circumcision controversy (*ed*), March, p. 817
- clock drawing, use of, to assess dementia severity (*tip*), May, p. 1581
- clomiphene therapy, combined pregnancy after (*tip*), February, p. 670
- cocaine and heroin, effects of fetal exposure to (*tip*), May, p. 1595
- cocaine abuse and addiction (*tip*), February, p. 636
- cocaine update: abuse and therapy (*sci*), January, p. 247
- coccidioidomycosis: office diagnosis and treatment (*sci*), May, p. 1499
- coffee consumption and heart disease (*tip*), January, p. 268

coin ingestion in children (*tip*), February, p. 612
 colic, changing formulas to improve (*tip*), June, p. 1833
 colorectal polyps in Gardner's syndrome, sulindac suppression of (*sci*), March, p. 891
 commissurotomy, percutaneous, for mitral valve stenosis (*tip*), February, p. 644
 communication, patient, recognizing barriers to (*tip*), April, p. 1263
 computer software reviews (*ed*), May, p. 1439
 computerized reminders to improve preventive care (*tip*), May, p. 1612
 condom use, adolescents and (*tip*), May, p. 1568
 condoms, attitudes of teenage girls toward use of (*tip*), February, p. 625
 congestive heart failure, usefulness of echocardiography in (*tip*), February, p. 654
 contraceptive use, oral, and breast cancer (*tip*), February, p. 662
 COPD
 —severe, theophylline for (*tip*), April, p. 1245
 —use of spirometry to evaluate acute exacerbations of (*tip*), February, p. 653
 coronary disease, possible, normal ECGs in patients with (*tip*), March, p. 996
 coronary risk factors in elderly patients (*tip*), March, p. 971
 correction: new concepts in the treatment of Parkinson's disease, March, p. 784
 correction: periodic health examinations in women (*let*), May, p. 1389
 cough reflex, changes in, due to ACE inhibitors (*tip*), April, p. 1282
 creatine kinase levels, low peak, in myocardial infarction (*tip*), January, p. 329
 cruciate ligament, rehabilitation after repair of (*tip*), January, p. 300
 cruciate tears, anterior, nonoperative treatment of (*tip*), February, p. 649
 CT, MRI and, use of, in posterior fossa lesions (*tip*), May, p. 1564
 cystic fibrosis, liver disease in adults with (*tip*), June, p. 1816

D

dance, aerobic, injuries associated with (*sci*) June, p. 1769
 day care, home, injury hazards in (*tip*), January, p. 288
 decompression sickness, cerebral involvement in (*tip*), April, p. 1285

dementia, progressive supranuclear palsy and (*let*), April, p. 1111
 dementia severity, use of a clock drawing to assess (*tip*), May, p. 1581
 depressed patients, functioning and well-being of (*tip*), May, p. 1605
 depression
 —bupropion: new therapy for (*sci*), June, p. 1787
 —recurrent, advantage of early treatment in (*tip*), June, p. 1813
 —screening for (*ed*), March, p. 824
 —screening for: use of patient questionnaires (*sci*), March, p. 897
 —somatization and (*tip*), February, p. 673
 dermatologic manifestations of HIV infection (*sci*), June, p. 1729
 dermatology, aquatic, marine envenomations and (*let*), April, p. 1092
 destructive behaviors, severe, NIH releases report on treatment of (*med rep*), March, p. 1001
 dexamethasone, use of, in acute laryngotracheitis (*tip*), May, p. 1595
 diabetes
 —gestational, in subsequent pregnancies (*tip*), April, p. 1238
 —and hemochromatosis (*tip*), May, p. 1577
 diabetic patients
 —guidelines for eye care in (*tip*), January, p. 326
 —motor vehicle accidents and (*tip*), June, p. 1826
 diphtheria in alcoholic adults, incidence of (*tip*), April, p. 1278
 dizziness in primary care practice, epidemiology of (*tip*), April, p. 1275
 dopamine receptor antagonist: metoclopramide (*sci*), March, p. 919
 Down syndrome (*let*), March, p. 769
 drowning and near-drowning, childhood, risk factors for (*tip*), January, p. 282
 drug ingestion, accidental, in young children (*tip*), March, p. 932
 drug laws, rural areas and (*let*), June, p. 1676
 DTP injections, site for (*tip*), February, p. 671
 dyspepsia, uncomplicated, upper GI radiography in (*tip*), June, p. 1833
 dysrhythmias, cardiac, antihypertensive therapy and (*tip*), March, p. 985

E

ECGs, normal, in patients with possible coronary disease (*tip*), March, p. 996
 echocardiography in congestive heart failure, usefulness of (*tip*), February, p. 654
 ectopic pregnancy, management of (*sci*), April, p. 1215
 elderly
 —acute ischemic heart disease in, detection of (*tip*), January, p. 277
 —cardiopulmonary resuscitation in, outcomes of (*tip*), May, p. 1588
 —falls in, use of Holter monitoring for evaluating (*tip*), January, p. 274
 —trauma in (*tip*), April, p. 1240
 elderly men, etiology of impotence in (*tip*), March, p. 962
 elderly patients
 —accuracy of proxy decisions made for (*tip*), March, p. 952
 —bacterial infections in (*tip*), April, p. 1289
 —bacteriuria in, screening for (*tip*), January, p. 292
 elderly persons
 —coronary risk factors in (*tip*), March, p. 971
 —vitamin D deficiency in (*tip*), April, p. 1248
 elderly population, tests for urinary incontinence in (*tip*), June, p. 1829
 elderly women
 —breast cancer screening in (*tip*), May, p. 1562
 —breast cancer therapy in (*tip*), February, p. 615
 elderly victims of rape (*tip*), May, p. 1585
 electrocautery during breast biopsy, use of (*tip*), April, p. 1302
 embolism, fatal pulmonary, circadian distribution in (*tip*), June, p. 1839
 emergency patients, HIV infection in (*tip*), January, p. 327
 ergogenic aids, anabolic steroids and (*sci*), April, p. 1157
 esophagitis, reflux, *Campylobacter pylori* in (*tip*), March, p. 965
 euthanasia (*let*), June, p. 1682
 examinations, periodic health, in women: correction (*let*), May, p. 1389
 exercise, isometric (*let*), May, p. 1398
 exercise counseling (*tip*), March, p. 945
 eye care in diabetic patients, guidelines for (*tip*), January, p. 326
 eye injuries in children (*tip*), June, p. 1850

F

- falls, risk factors for (*tip*), February, p. 644
- farmers, early hearing loss in (*tip*), January, p. 273
- fat distribution, adiposity, and cardiovascular risk (*tip*), March, p. 962
- fatty acids, effect of, on serum cholesterol (*tip*), May, p. 1600
- FDA approvals, significant, in 1989 (*FDA*), June, p. 1851
- febrile outpatients, young, use of blood cultures in (*tip*), May, p. 1606
- fecal impaction, causes and management of (*tip*), June, p. 1842
- fentanyl, use of, in emergency patients (*tip*), February, p. 609
- fern tests, false-positive, for rupture of membranes (*tip*), February, p. 638
- fetal exposure to cocaine and heroin, effects of (*tip*), May, p. 1595
- fetal tissue sampling (*tip*), January, p. 319
- fever, education of parents in managing (*tip*), February, p. 635
- fire ant bites (*tip*), February, p. 658
- fish oil supplementation after coronary angioplasty (*tip*), April, p. 1238
- fluoride, gastric mucosal damage after ingestion of (*tip*), March, p. 993
- foreign body aspiration (*tip*), February, p. 650
- forty years of AFP (*ed*), April, p. 1136
- Francisella philomiragia*, epidemiology and features of (*tip*), April, p. 1295

G

- gallstones, silent, incidental cholecystectomy for (*tip*), January, p. 298
- gamma-hydroxybutyric acid for alcohol withdrawal (*tip*), May, p. 1556
- Gardner's syndrome, sulindac suppression of colorectal polyps in (*sci*), March, p. 891
- gastric acid suppression, a new approach to: omeprazole (*sci*), April, p. 1225
- gastric mucosal damage after ingestion of fluoride (*tip*), March, p. 993
- gastrointestinal illness associated with wading pools (*tip*), April, p. 1300
- gastrointestinal tract
 - C. pylori* colonization in (*tip*), June, p. 1823
 - melanoma metastatic to (*sci*), January, p. 165
- gestational age assessment (*sci*), February, p. 553

- GI radiography, upper, in uncomplicated dyspepsia (*tip*), June, p. 1833
- goals of AFP (*ed*), February, p. 486
- gonorrhea, chlamydia in pregnant patients with (*tip*), June, p. 1814
- gout, radiographic features of (*sci*), February, p. 539
- graft, new self-sealing, for hemodialysis access (*tip*), May, p. 1585
- Graves' ophthalmopathy, effects of type of treatment on (*tip*), April, p. 1259
- growth hormone therapy (*sci*), May, p. 1541
- growth retardation, intrauterine, diagnosis of (*tip*), May, p. 1562
- guidelines, AAFP core educational: ophthalmology, June, p. 1853

H

- health habits, patient, improving, in primary practice (*tip*), May, p. 1555
- health risk management (*let*), June, p. 1673
- hearing loss, early, in farmers (*tip*), January, p. 273
- heart disease, acute ischemic, detection of, in the elderly (*tip*), January, p. 277
- helmet, bicycle, use among children (*tip*), March, p. 955
- helmet use by bicycle riders, benefits of (*tip*), January, p. 292
- hemochromatosis, diabetes and (*tip*), May, p. 1577
- hemodialysis access, new self-sealing graft for (*tip*), May, p. 1585
- hemoptysis and lung cancer (*tip*), February, p. 628
- hepatitis B infection, prenatal screening for (*tip*), April, p. 1239
- heroin, cocaine and, effects of fetal exposure to (*tip*), May, p. 1595
- herpes, genital, in asymptomatic women (*tip*), March, p. 975
- hip, transient osteoporosis of (*sci*), June, p. 1759
- hip fractures, increasing incidence of (*tip*), January, p. 287
- HIV-infected patients, hematologic toxicity of zidovudine in (*sci*), May, p. 1521
- HIV infection (*see also AIDS*)
 - dermatologic manifestations of (*sci*), June, p. 1729
 - in emergency patients (*tip*), January, p. 327
 - epidemiology of (*tip*), March, p. 932

- neurologic complications of (*sci*), February, p. 517
- and other sexually transmitted diseases, counseling to prevent (*sci*), April, p. 1179
- HIV-positive patients and development of AIDS (*tip*), April, p. 1297
- HIV transmission, female-to-male (*tip*), May, p. 1592
- Holter monitoring, use of, for evaluating falls in the elderly (*tip*), January, p. 274
- hormone replacement therapy (*let*), May, p. 1389
- HSV-2 infection, prevalence of (*tip*), April, p. 1267
- hypercholesterolemia, treatment approach to (*tip*), March, p. 960
- hypertension
 - calcium channel blockers for treatment of (*tip*), May, p. 1611
 - controversies in the management of (*sci*), May, p. 1449
 - isolated systolic, physicians' attitudes about (*tip*), January, p. 323
 - potassium intake and (*tip*), January, p. 318
 - primary prevention of (*tip*), June, p. 1806
- hyperthermia, laser, for malignant tumors (*tip*), May, p. 1590
- hyperthyroidism
 - congenital (*tip*), April, p. 1236
 - levothyroxine therapy and (*tip*), February, p. 628
 - practical management of (*sci*), March, p. 909
- hypothyroidism
 - predictors of (*tip*), January, p. 305
- hypoxic hazards of paper bag rebreathing (*tip*), March, p. 974
- hysterectomy, assessing indications for (*tip*), February, p. 659

I

- iatrogenic medication errors in neonatal and pediatric ICUs (*tip*), May, p. 1568
- ICUs, neonatal and pediatric, iatrogenic medication errors in (*tip*), May, p. 1568
- imaging, diagnostic, of the injured knee, role of MRI in (*sci*), February, p. 489
- immunization
 - passive, against rotavirus (*tip*), June, p. 1819
 - second MMR, AAFP releases recommendations for (*med rep*), February, p. 679

immunization status, adult,
computerized registries for (*tip*),
February, p. 609

impotence, etiology of, in elderly men
(*tip*), March, p. 962

infancy, scrotal hair in (*tip*), March,

malformations, fetal, detecting, by
routine ultrasonography (*tip*),
February, p. 640

malpractice, medical (*let*), May, p. 1389

marijuana use and memory loss (*tip*),
March, p. 930

marine envenomations and aquatic
dermatology (*let*), April, p. 1092

melanoma

- metastatic to the gastrointestinal
tract (*sci*), January, p. 165
- solitary, pulmonary metastasis
from (*sci*), March, p. 849

memory loss, marijuana use and (*tip*),
March, p. 930

meningitis, bacterial, in children,
antibiotics for (*tip*), April, p. 1246

meningococcal carrier state and
cigarette smoking (*tip*), May,
p. 1606

menopausal women, peripheral blood
flow in (*tip*), March, p. 960

menstrual disorders, effects of
sterilization on (*tip*), February,
p. 605

mental status examination (*sci*), May,
p. 1489

metoclopramide: a dopamine receptor
antagonist (*sci*), March, p. 919

mitral valve prolapse, assessment of risk
in (*tip*), January, p. 287

mitral valve stenosis, percutaneous
commissurotomy for (*tip*),
February, p. 644

MMR immunization, second, AAFP
releases recommendations for (*med
rep*), February, p. 679

motor vehicle accidents and diabetic
patients (*tip*), June, p. 1826

motor vehicle injuries, counseling to
prevent (*sci*), May, p. 1465

motor vehicle trauma: a medical
problem (*ed*), May, p. 1434

MRI

- and CT in posterior fossa lesions,
use of (*tip*), May, p. 1564
- role of, in diagnostic imaging of the
injured knee (*sci*), February, p. 489

myocardial infarction

- low peak creatine kinase levels in
(*tip*), January, p. 329
- 'low-yield' cigarettes and (*tip*),
April, p. 1304
- silent (*tip*), April, p. 1269

myofascial pain syndrome (*tip*), May,
p. 1561

N

nephropathy, diabetic, improved
prognosis in (*tip*), April, p. 1267

neuroblastoma (*sci*), January, p. 238

neurologic complications of HIV
infection (*sci*), February, p. 517

newborn, recent developments in care
of (*sci*), June, p. 1783

night call, assessment of residents'
duties during (*tip*), April, p. 1276

NSAID therapy (*let*), June, p. 1673

nulliparous women, demographics of
cesarean delivery in (*tip*), April,
p. 1245

nursing home patients, reducing urinary
incontinence in (*tip*), February,
p. 673

nursing mothers, breast disorders in
(*tip*), May, p. 1509

O

obesity

- childhood, natural history of (*tip*),
May, p. 1590
- current therapies for (*tip*), January,
p. 317
- smoking and (*tip*), January, p. 297
